TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Temple in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Temple on Tuesday, the tenth (10th) day of March next, at ten (10) o'clock in the forenoon (polls remain open until six (6) o'clock in the afternoon) to act upon the following subjects:

1. To elect a delegate to the Constitutional Convention, and for the election of Delegates at Large, Alternate Delegates at Large, Delegates and Alternate Delegates to the National Convention.

The Polls will be open at ten (10) o'clock in the forenoon and close at six (6) o'clock in the afternoon. Recess until 7:30 P.M., when Article 2 and remaining Articles of the Warrant will be acted upon.

2. To choose all necessary Town Officers for the year ensuing.

3. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, Town Officers' Expenses, Town Dump, Parks and Playground, Election and Registration, Town Hall and Other Buildings, Flag, Cemeteries, Civil Defense, Vital Statistics, Legal Expense, OASDI (Social Security) Insurance and Bicentennial Scholarship Fund, and for any other charge arising within the Town.

4. To see what sum of money the Town will vote to raise and appropriate for the maintenance of summer highways.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of winter highways.

6. To see what sum of money the Town will vote to raise and appropriate for oiling roads.

7. To see what sum of money the Town will vote to raise and appropriate for Road Machine repair and maintenance.

8. To see if the Town will vote to accept State Aid for the improvement of Class V roads, and appropriate the sum of \$622.39 and the State will contribute \$4,149.29.

9. To see if the Town will vote to raise and appropriate a sum of money for the purpose of installing a new heating plant in the Town Hall, or take any other action relating thereto.

10. To see if the Town will vote to create a Planning Board, in accordance with the provision of Chapter 36, New Hampshire Revised Statutes Annotated, 1955, as amended: Said Planning Board to consist of seven or five members (the option of this meeting) to be appointed by the Selectmen, or take any other action relating thereto.

11. To see what sum of money the Town will vote to raise and appropriate for Memorial Day, said sum to be handled under the auspices of the Day-Quinn-Blood Ex-Servicemen's Association.

12. To see what sum of money the Town will vote to raise and appropriate for the support of the Temple Volunteer Fire Department, said sum to be turned over to the Treasurer of the Fire Department.

13. To see what sum of money the Town will vote to raise and appropriate for the salary and expenses of the Police Department.

14. To see what sum of money the Town will vote to raise and appropriate for the support of the Library, said sum to be turned over to the Treasurer of the Library.

15. To see what sum of money the Town will vote to raise and appropriate for Old Age Assistance.

16. To see if the Town will vote to raise and appropriate the sum of \$99.72 (six cents per \$1,000.00) of the Town's equalized valuation) to the Monadnock Region Association, an agency to advertise, promote and preserve the natural advantages and resources of the Town in cooperation with the other thirty-seven Towns of the Monadnock Region.

17. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, not exceeding the sum of \$20,000.00.

18. To see if the Town will vote to raise and appropriate the sum of \$25.00 to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for opening and maintaining of trails and old roads for forest fire protection. The State will provide a matching sum not in excess of \$25.00 for this purpose.

19. To see if the Town will vote to raise and appropriate the sum of \$75.00 to be used in cooperation with the State and Federal funds for the control of White Pine Blister Rust within the confines of the Town.

20. To transact any further business which may legally come before this meeting.

Given under our hands and seal this 13th day of February in the year of our Lord nineteen hundred and sixty-four.

REPORT OF AUDITORS

We have examined the accounts of the Town Clerk, Treasurer, Tax Collector, Trustees of Trust Funds, Treasurer of Library and find them correct and properly vouched. The accounts of the Selectmen were correct except for the incorrect classification of payments to Auditors. This amount of \$60.00 should have been charged to Town Officers' salaries as per Tax Commission letter of January 7, 1964.

EARL W. YOUNG
WINTHROP P. CASWELL
HELEN L. ROCKWOOD
Auditors

ROAD AGENT'S REPORT

Here are some of the accomplishments of the Highway Department during the past year.

It was decided to have Oliver Blanchette of Peterborough build a cement block building for a Town Garage. This building is completed except for the floor which will be done in early spring.

I appreciate having the Hough Loader to use for the town road work. It is a very useful piece of equipment. This summer it was used for all the excavating, loading of gravel, and putting in culverts. It is excellent for plowing snow.

Another section of Hadley Highway was rebuilt. This took 2,931 yards of gravel. Approximately 1.2 miles of road on Hadley Highway were blacktopped. It is planned that this road will be completed to the New Ipswich line next year.

The Mansfield Road has been widened to the same width as T. R. A. standards. The culverts have been repaired or replaced. The road has been graveled from Willard's corner to Rockwood's corner. This took 1108 yards of gravel. This road has a number of houses on it and has a great deal of traffic. There's still some work to be done at Willard's corner. When this is done, the road will be ready for paving. The town could raise money for this work under the oil appropriation, or money could be taken from the Gas Tax.

Gravel (725 yards) was put on the following roads: the little road from Clement's to Banker's, Leighton's Drive, Old Holt Road, Powers Road, McCrae Road, Mt. View Road, Caswell's Road.

New railings and posts were put on Willard's Bridge and Caswell's Bridge.

There is a continued need for new culverts as fast as the town can afford to have them. The following new culverts were put in: 1 on Mt. View Road, 1 on Hadley Highway, 1 on East Road, 2 on Old Peterborough Road.

I would like to thank the townspeople for their cooperation during the past year.

Respectfully submitted,

HAROLD N. KULLGREN

TRUSTEES OF
MANSFIELD PUBLIC LIBRARY

MANSFIELD PUBLIC LIBRARY

The library has carried out many extra programs this year. During National Library Week the library was literally full of displays, books and posters. The largest being by the children in grades 4, 5 and 6, consisting of their favorite books with new jackets for all. On the Wednesday afternoon of Library Week, a program for the children was held in the library with a book talk, films and refreshments. While on Friday evening there was a program for the adults. We had guest speakers, an original skit and book reviews by the school children. The evening closed with refreshments by the trustees.

The library has had many displays during the year. Also Mr. Letourneau's 4th, 5th and 6th grades of school, have had special displays in science and arts and crafts, besides book exhibits to use with their class studies. The librarian has worked with the children in their lessons on the use of the library.

To stimulate the use of the library by the children a record in graph form has been kept since Oct. 19, 1963. An average of 26% of the children in the primary room borrowed books to date. (Jan. 4, 1964) The average is 37% for the intermediate room and 18% for the Junior High room. A great deal of time was spent in holding a reading contest for six weeks this fall for the grades 4 through 8. This brought many books to the attention of our regular attenders and encouraged new readers on the way to library usage and enjoyment.

Circulation of books this year was 3196. Adult Non Fiction circulated 468 books and 748 Fiction, while Children's were 331 Non Fiction and 1644 books of Fiction.

The increase of 112 new books, 75 adult's and 37 children's is less in number than usual. This is caused by my choice of a number of basic reference books which are more expensive than most reading fare. Even so we received more gift books than in any given year, and they were contributed by: Mrs. Mary Walker, Mrs. Helen Fay, Mrs. Martha Scott, Mrs. Barbara Headman, Mrs. Vivian McGray, Mrs. Alice Donald, Mr. Seth Baraclough. Mrs. Alberta Hagar presented the library with an especially good collection on New Hampshire.

A 'thank you' to Mrs. Gertrude Kimble, librarian of Chamberlin Free Library in Greenville. She has presented our library with the Abridged Readers Guide, a newer ed. of the abridged Dewey Decimal, and the Encyclopedia of American History. Our gift subscriptions of magazines were given by: Mr. and Mrs. Harry Stratton, the American Heritage; Mrs. Ruth Quinn, the Country Beautiful, and the Librarian, the Natural History. Mrs. Marjorie Bowen contributes Time, Life, the New Yorker, and several others from her own collection. Last but not least, Mr. Charles Randall has done a fine job of re-caning one of the library chairs.

Library hours remain the same, from 2:00 P. M. until 4:00 P. M. on Wednesday afternoon, and 7:00 P. M. until 9:00 P. M. Saturday evenings.

Respectfully submitted,

MADELYN L. QUINN,
Librarian

POLICE REPORT

The following is a list of investigations conducted by this department:

Automobile Accidents	17
Automobile Accidents — Fatal	1
Breaking and Entering	2
Fire Calls Answered	1
Larceny	2
Suspicious Persons	1
Emergency Hospital Runs	1
Miscellaneous Calls	27

This year the department has added three two-way radios in the special cars. This has greatly increased the efficiency of your Police Department. The addition of these radios will enable us to cover the town more efficiently and quickly.

Again I would like to remind the townspeople to please call immediately anything of a suspicious nature. This enables us to do our job better.

Respectfully submitted to the Selectmen of Temple.

JOHN B. HARLING
Chief of Police

REPORT OF DOG OFFICER

Dec. 31, 1963

Adults bitten by Dogs	None
Children bitten by Dogs	2
Delinquent dog taxes	4
Dog complaints	4
Dogs killed by auto	1
Dogs placed in homes	1
Dogs shot for owners	6
Dogs killed by owners	2

This past year we have had very little trouble with dogs chasing deer in this town.

Keep your dogs under control.

Any dog found without a collar or license tag will be placed in a home or destroyed.

The law states all dogs over three months old must have collars and license tags.

Dog taxes are due May 1st.

Respectfully submitted,

WALLACE R. BLOOD
Dog Officer

FIRE DEPARTMENT REPORT

To the Voters of Temple:

In accord with your vote at the 1963 Annual Town Meeting and the recommendations of the Fire Engineers, your Volunteer Fire Department has amended its constitution and by-laws. The Chief now must be one of the Fire Engineers that you elect. All expenditures of town funds for the Fire Department now must be approved by a majority of the Fire Engineers.

The State of New Hampshire has been preparing instructors for the training of Firemen, particularly those in small towns such as Temple. Last spring several Firemen received instruction (at state expense) in pumper practice for a variety of practical situations.

On two occasions, members of the department attended specialized training classes at the Meadowood Fire Department drill yard in Fitzwilliam.

Equipment purchased in 1963 included two nozzles, fifty feet of booster hose, one CO2 and one dry chemical fire extinguisher, a 2500 watt generator for flood lights, and various tools.

Fortunately there were no fire losses in 1963. The department answered calls for two chimney fires and one brush fire.

The department neither made nor received any calls for Mutual Aid. Your department is regularly represented at the Souhegan Valley Mutual Aid meetings.

For 1964 we estimate Fire Department expenditures as follows:

Workmen's Compensation Insurance	\$72.00
Liability Insurance	185.00
Fuel oil	100.00
Electricity	33.00
Improvements on equipment	200.00
Vehicle maintenance and fuel	150.00
Building maintenance	125.00
New equipment	90.00
Miscellaneous expenses	45.00
Answering Service	150.00
Total	\$ 1,150.00

In future years there should be capital expenditures for:

1. A radio alerting system
2. A complete set of new mud-and-snow tires for the 6x6 fire truck
3. Hose replacement
4. A two-way radio on one truck
5. Replacement of the 1939 tank truck

Respectfully submitted,

ALBERT A. QUINN
CARL I. HEDMAN
CHARLES E. WILLARD
Fire Engineers

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personel rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — its safer. A neglected backyard incinerator causes many fires.
3. Never discard a lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Temple qualified to vote in district affairs:

You are hereby notified to meet at the Temple Public School in said district on the fifth day of March 1964, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the Moderator, or take any action relating thereto.

10. To see if the district will raise and appropriate a sum not to exceed \$400 to meet the expenses of the cooperative school district planning committee, including school consultant services, or take any action relating thereto.

11. To see if the district will vote to authorize the School Board to enter into a long term, twenty (20) year contract, with the Peterborough School Board, to provide education for high school children interested in attending Peterborough High School and to pay an equitable "Capital Costs" charge above the regular tuition costs or take any action relating thereto.

12. If Article 11 is approved to raise and appropriate \$340 to pay for the "Capital Costs" charge for the ensuing school year or take any action relating thereto.

Article 13. To see if the District will vote to create an Area School Planning Committee in accordance with Chapter 195-A; said committee to be authorized to join together with other Area School Planning Committees in nearby towns to form an Area School Planning Board, or to take any action relating thereto.

Article 14. To see if the District will vote to raise and appropriate a sum of money to hire, in conjunction with other school districts in the area, a school consulting firm to make a detailed study of educational needs and opportunities in the District, or to take any action relating thereto.

15. To transact any other business that may legally come before the meeting.

Given under our hands at said Temple this first day of February 1964.

TREASURER'S REPORT

Fiscal Year July 1, to June 30, 1963

SUMMARY

Cash on Hand July 1, 1962		\$	26.55
Received from Selectmen:			
Current Appropriation	\$ 38,033.07		
Received from State Sources	4,195.80		
Received from Federal Sources	274.32		
Received from All Other Sources	183.27		
TOTAL RECEIPTS			42,686.46
TOTAL AMOUNT AVAILABLE FOR FISCAL YEAR		\$	42,713.01
LESS SCHOOL BOARD ORDERS PAID			41,740.79
Balance on Hand June 30, 1963		\$	972.22

ELISE M. WILLARD

District Treasurer

July 1, 1963

AUDITOR'S CERTIFICATE

This is to certify that we have examined the book, vouchers, bank statements and other financial records of the treasurer of the school district of Temple of which the above is a true summary for the fiscal year ending June 30, 1963 and find them correct in all respects.

SCHOOL LUNCH REPORT

The summary below covers the receipts, expenditures, and balances of the School Lunch Program at Temple for fiscal year 1962-63:

Cash on Hand July 1, 1962		\$ 163.52
Receipts: Lunch Sales		
Children	\$ 1,295.40	
Adults	96.90	
Reimbursements	274.32	
District Appropriation (1961-62, 1962-63)	400.00	
Miscellaneous Cash	42.40	
Total Receipts		2,109.02
Total Available		\$ 2,272.54
Expenditures:		
Food	\$ 953.82	
Labor	716.25	
All Other	72.47	
Total Expenditures		1,742.54
Actual Cash Balance as of June 30, 1963		\$ 530.00

I certify that the above information is true and correct; that the cash balance has been determined by actual count and/or verification of the checkbook balance; and that invoices and other pertinent records as required are on file to substantiate the School Lunch Program transactions.

FANNIE ABBOTT WHEELER MEMORIAL FUND

The Fannie Abbott Wheeler Memorial Fund was established by relatives and friends in memory of Fannie Abbott Wheeler March 1928 to stimulate pupils in the Temple Public School to work toward good citizenship. Provisions of the Award are:

Each year awards are made to those pupils who best exemplify the following characteristics:

1. Outstanding growth in academic work.
2. Healthy attitude toward school work and school activities.
3. Exhibits a strong feeling of responsibility in his association with classmates and teachers.
4. Is considered an outstanding citizen of the school.

Recipients for 1962-1963 were:

First Prize—Paul Quinn

Second Prize—George Ryan

Third Prize—Timothy McGrail

SUPERINTENDENT'S REPORT

To the School Board and citizens of Temple, I respectfully submit my sixth annual report as your superintendent of schools.

Staff and Instruction

The Temple School opened this fall with one change in staff. Mr. David Paige of Goffstown, New Hampshire, a recent graduate of the University of New Hampshire, was hired as Music Supervisor replacing Mrs. Florence Stiff of Nashua. Other members of the staff continued in their positions at the school thereby helping to insure continuity and strength in the academic program.

The two areas of instruction outlined in last year's program continue to be improved upon and expanded during the present year. The Spalding system of reading, writing and spelling is being solidly developed in all grades one through six. It is expected that each year marked improvement will be seen in each of these areas through the use of this very sound reading system.

In the area of mathematics, the modern mathematics approach is now being taught at grade levels one through six and will be formally expanded into the seventh and eighth grades during the coming school year. It is anticipated that the program will definitely upgrade the quality of instruction in this area and give youngsters insights and understandings that could never have been expected of these children in the past.

Provision is being made in the 1964-65 budget for the instruction of children in classes for the intellectually retarded. The statutes of the State of New Hampshire allow expenditures to be made in this area and certainly this kind of education is necessary for these children, and is also helpful to those children remaining in the Temple school.

Building and Grounds

The regular maintenance policy of the school is being continued in the budget planned for 1964-65, with funds provided for the painting of one of the classroom areas and touching up of other areas in the school that may need this kind of attention. A small amount of money is also being provided to refinish some of the desk tops in that their appearance will be more satisfactory.

Future Needs

Since early last fall discussions about improved instructional opportunities for children have been held by board members of towns within the supervisory union. It may well be that by working closely with other communities in the area, the educational opportunities for children in Temple could be vastly improved. Everyone knows that multiple graded classrooms have their limitations. Everyone knows that instruction at the seventh and eighth grade level in the Temple school cannot compare with the instruction that could be provided in a good departmentalized junior high school. These limitations make it necessary to constantly seek ways of better preparing children of the community to meet the future. The needs for the future are difficult to anticipate, but should be planned for. With these thoughts in mind, an article has been inserted in the warrant to provide for the initiation of a cooperative school study committee. It is true that a study committee was appointed at the last district meeting but since that time new legislation has been passed which requires a three-man committee to be appointed or elected as being a first step to be taken in working with other communities. This committee must be composed of three people, one of which is a school board member.

At meetings the school board has participated in, two of the most important being held in Temple, consideration has been given to the hiring of a school consultant to survey the educational structure of all the interested communities and to have the consultants make recommendations as to the best type of educational plan for Temple. This plan would consider educational needs, community growth and finances. A second article is thus placed in the warrant to provide this study committee with funds that might be used to hire the services of a school consultant. These funds would not necessarily be spent, but if it seemed to be in the best interests of Temple to go along with the hiring of consultant services, then the money would be available for this purpose. It is further possible that trust funds, which are available in the State of New Hampshire, might help reduce the costs of the study planned by the cooperating committee. It seems wise, however, to provide an amount of money sufficient to meet the greatest possible known needs and depend upon the appointed or elected committee to decide whether or not the funds should be expended.

Finance

There are two primary areas of increase in the upcoming budget. In the area of Teachers' Salaries there is an increase of approximately \$800. In spite of this increase the average salary of teachers in Temple school will still be \$700 to \$800 below the average for elementary classroom teachers in New Hampshire, further below the average in southern New Hampshire and yet further below the average of elementary teachers just over the Massachusetts state line. The school is no better than the quality of its teachers, thus money spent for good instruction is money that is wisely spent. The second area of increase is in Tuitions. Increased enrollment at the high school level and an increase in the average tuition costs at the high school level combine to create an increase in the budget of approximately \$3,000. As was noted earlier, provision is also being made for the education of intellectually retarded children and this figure is included in the increase.

These increases together with other increases and decreases combined with revenues which are being anticipated result in a school assessment estimated at this time to be \$41,264.25 which is approximately \$4,084.00 above that which was raised for the school assessment during the current school year. As was noted above, most of this cost is in the area of high school tuitions over which there is very little control.

Special Articles

Recently the School Board attended a meeting at Peterborough, at which meeting the Board was asked to sign an agreement to send children to the Peterborough school for a period of twenty years. This agreement does not bind children to go to Peterborough but effects only those that are interested in attending the Peterborough school. The requirements needing school district approval are: (1) that of an additional cost which has been called a "Capital Cost," and (2) to enter into the long term (20 year) contract. The "Capital Cost" is a cost per pupil for additional building, equipment and land which Peterborough might have to bear to adequately house its students. Before the School Board can enter into such an agreement, it must have approval from the district to absorb this additional cost of approximately \$20. per pupil. Next year this would cost the district in the vicinity of \$340.

Conclusion

The Temple school is enjoying a successful academic year. The teachers are working diligently to properly prepare children to meet the needs and requirements of their individual grade levels, and are achieving success. The School Board has been very understanding in facing up to the various problems that are met in the operation of any school and are constantly seeking ways to further improve instruction. The success of graduates from the Temple School at high school has become well established, and a fact of which all are proud. Feel assured that this kind of quality instruction is being continued during the present school year.

Respectfully submitted,

KENNETH A. SARGENT
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

For the fiscal year 1962-1963

Temple Public School Grades 1 through 8

Visits to school: 13

Home Visits: 1

Tests Given:

Snellen E eye tests, Grades 1, 2, 3

Keystone Telebinocular tests, Grades 4 & 8

Maico Audiometer test, Grades 4 & 8

Parents were notified if a defect existed.

Special Activities:

1. Assisted School Doctor with physicals—66 examined
Defects found:

Enlarged tonsils 11

Decayed teeth 11

Enlarged cervical glands 2

Evidence of rickets 2

Notes were sent home where a defect existed.

2. Sabin Oral Vaccine was made available for all pre-school and school children by the State Department.

Type I given on 2/5/63

Type II given on 3/19/63

Type III given on 4/30/63

School children that completed the series: 58

3. Dental Clinic May 1963. The dental work was done by Dr. Earl Roy in his Greenville office.

4. Nurse's work included:

Heights and weights on all children

Routine inspections every month

First aid for cuts, bruises, toothaches, etc.

5. Pre-School Registration May 20, 1963. 9 Registered

Heights and weights were taken

Snellen E eye tests given

Respectfully submitted,

LAILA E. LUHTALA, R.N.

School Nurse

REPORT OF SCHOOL STUDY COMMITTEE

The purpose of this committee was to study education bills and legislation as they affect our town and our area. Members of the committee were notified of hearings at Concord, and efforts were made to attend them when possible. The hearing on the Area School concept as outlined by the Interim Commission was attended by one of our committee members in April, 1963.

In order for parents to better understand the State's study on education as reported by the Interim Commission, an informal meeting was arranged in May, 1963 to discuss the report's general findings and its suggestions for this town and its neighbors.

In regard to our own school, Temple class room space on the elementary level is still adequate as indicated by present and projected census figures. However, on the secondary or high school level, it has become increasingly obvious that Appleton, Wilton, and Peterborough are all over-crowded. This problem is something we cannot ignore. We need to keep abreast of the plans of our neighboring high school districts so that we will not become an orphan town with no school willing to accept our high school pupils. We must become increasingly familiar with this problem, in order to seek out a good and practical solution.

H.B. No. 563 of the State Legislature outlined the procedure for the establishment of Area Schools. It also outlined the restrictions governing the creation of study groups, such as this present committee, and how they may legally function. To comply with this recent legislation, the Temple School Study Committee as it presently exists must be dissolved and be reestablished in accordance with the above mentioned legislation, if the town feels this committee is fulfilling a service to the community.

Within the past few months, many communities have been discussing the changes that must come about to provide for their growing school population. Temple has been invited to attend and has been represented at meetings at Wilton, Greenville, and Peterborough. In return, Temple itself hosted the presentation of Englehardt, Englehardt & Leggett, a professional organization which studies the educational needs of a community and makes unbiased evaluations and recommendations.

After functioning as a study group for the past year, the committee wishes to make the following recommendations:

1. We urge the School District to establish a new committee under the directives of H.B. 563 consisting of 3 members, one being a member of the school board, and that said members be elected at the School District meeting or be appointed by the moderator. This will enable Temple to continue its study and possibly join with other neighboring towns with like study groups to establish a school planning board.
2. We urge the School District to raise and appropriate the necessary funds to engage an educational consulting firm in conjunction with our neighboring districts, to conduct an unbiased study of the educational needs of Temple and the surrounding area who are mutually concerned and who, like us, should profit by professional advice.
